

Wheel Throwing

Instructor: Troy Becker

Course Objectives: Beginners can expect to learn the basics of throwing on the wheel, trimming, and glazing. For advanced students, we will work to improve skills and explore further techniques.

Course Description: This class mixes beginning students with the experienced and ranges from the basic steps for creating functional pottery to advanced techniques for artistic sculptural vessels. Students work at their own pace in a friendly atmosphere with plenty of individual instruction.

Supply List:

- Pottery Tools (available for purchase at Mark Arts)
- Old towel
- Cone 10 Clay
- 1" foam brush

Course Schedule:

Week 1: Policies and procedures, tour the studio and anatomy of the wheel

Week 2: Basics of throwing a bowl

Week 3: Basics for Trimming

Week 4: Basics of Glazing

Week 5: Presentation about the medium, continue improving skills.

Week 6: Finish making and trimming

Week 7: Glaze
