

MARK ARTS KANSAS INVITATIONAL

JANUARY 6 - MARCH 26, 2018

MARK
ARTS

Welcome to the Mark Arts Kansas Invitational, the inaugural exhibition in our magnificent new home.

The Kansas Invitational features works by prominent artists who have lived or worked in Kansas. It was curated by three prominent Wichitans with strong art credentials: Sonia Greteman, Mike Michaelis and Chris Shank. The result is stunning, and the exhibition certainly will expand your point of view.

More than 100 high-caliber pieces have arrived from as far away as New York City and Italy. The vast array of works include abstract, realism, landscape and portraits in a variety of media such as oil, acrylic, watercolor, photography, printmaking, mixed media, ceramics and sculpture. There is something for everyone's unique aesthetic in a variety of price ranges.

As always, our gallery is free to the public, so please take your time with each work and make multiple visits.

Thanks for helping inspire the artist in each of us!

GUEST CURATORS

MIKE MICHAELIS

Mike Michaelis has been with Emprise Bank for 48 years and has been seriously collecting art for 20 years. He co-chaired the \$20 million campaign to build the new Mark Arts and serves as the chair of the board of the Spencer Museum of Art at the University of Kansas. He also serves on the board of the Wichita Art Museum and is a past board member of the Ulrich Museum of Art at Wichita State University.

SONIA GRETEMAN

Art fuels Sonia Greteman's work and life. She earned a bachelor's in fine arts from WSU and, in 1989, founded the powerhouse creative agency Greteman Group. She serves on the Wichita Art Museum executive committee and board of trustees, and the WSU Ulrich Museum of Art board of directors. She is past president of the City of Wichita Design Council and served as a public art consultant and design lead on multidisciplinary teams for the Wichita Eisenhower National Airport and Keeper of the Plains River Corridor.

CHRIS SHANK

Chris Shank grew up in an environment filled with art. His uncle was at one time a commercial artist with Western Lithograph, rubbing elbows with the Prairie Print Makers, and his aunt was a brilliant amateur artist. Chris is a commercial account executive with USI Insurance Services (formerly Dulaney Johnston and Priest), where he has worked continuously for nearly 40 years. Chris is a past chairperson and current board member of the Wichita Art Museum and a past board member of the Ulrich Museum of Art.
