

Instructor name: **Marianne Evans-Lombe**  
Title of class: **Drawing Essentials**

**Art Medium:** Graphite and charcoal on paper.

**Course Description:**

This course focuses on the essentials of drawing through four drawing projects. Students will draw from life and photographs. This class is good for both beginners and returning students. Intermediate and advanced drawing students will learn more complex drawing skills by drawing from a still life. Students will work on projects with guidance and feedback from the instructor. Independent drawing students and projects are also welcome. Open to ages 16 and up.

**Course Schedule:**

**Week 1:** Discussion of materials. Begin experimenting with materials.

**Week 2:** Project 1A: draw a pear from a photograph.

**Week 3:** Project 1B: draw a pear from life.

**Week 4:** Project 2A: draw a tree branch from a photograph.

**Week 5:** Project 2B: draw a tree branch from life.

**Week 6:** Project 3A: draw fabric from a photograph.

**Week 7:** Project 3B: draw fabric from life.

**Week 8:** Project 4A: draw a rose from a photograph.

**Week 9:** Project 4B: draw a rose from life.

**Week 10:** Critique. Discussion of projects.
