

Pre-teen and Teen Pottery

Ages 12-15 | Instructor: Cory Montroy

Course Objectives: Exposure to making functional pottery on the potter's wheel.

Course Description: This class introduces teens to the fundamentals of working on the potter's wheel, including throwing, trimming, and glazing. Instruction is hands-on and supportive, guiding students through each step of the process as they develop their skills.

Supply List: Clay is provided as needed, and a shared set of tools is available for use. Students who prefer may purchase their own 25-pound bag of clay and personal tool kit at the front desk. For safety, closed-toe shoes and tying up long hair are required. Wear clothing that is ok to get dirty.

Course Schedule:

Week 1: Throwing Basics (Cylinders)

Week 2: Trimming

Week 3: Detailing

Week 4: Glazing

Week 5: Throwing Basics Expanded (Plates, Bowls, Mugs)

Week 6: Trimming

Week 7: Glazing

Week 8: Studio Time/Work on Independent Project

Week 9: Studio Time/Last Day of wet Clay

Week 10: Glazing

Throwing Basics may cover different projects depending on student preferences and experience.
