

Intermediate/Advanced Silversmithing and Jewelry Design

Ages 14+ | Instructor: Lori Martin-Price

Course Objectives:

To increase the skill and design levels of each individual student. Honing their craftsmanship in all aspects of their created works.

Course Description:

Projects in this class are tailored to the student's interests with an emphasis on design possibilities and material considerations. Advanced process possibilities which can be explored include - casting, hydraulic press use, and other stone-setting methods, to name a few. Open to students ages 14 and up.

Student Supply List:

Supplies and materials will be discussed on the first day of class. Students are responsible for purchasing their own supplies.

Lapidary artists will bring stones for optional purchase.

Course Schedule:

Week 1: Students are free to work on their own projects tailored to their interests, with instructor help and advice along the way.

Week 2-10: Continuation of individual projects with instructor guidance.
